**Trip Description:**

This eight day adventure from Cape Town introduces you to the wonders of the Garden Route, including the Cango Caves, Knysna Forest, and a “Big Five” game park. Embarking along the picturesque Garden Route with its dramatic mountain scenery, we have a leisurely first day, followed by a day in the semi-desert landscape of the Klein Karoo.

Here we find the Cango Caves, one of the most impressive limestone cave systems in the world, which you can take an adventure tour of this exquisite natural wonder. We also visit an ostrich farm, where you can even try riding an ostrich! Following this we visit the Cango Wildlife Ranch to learn of the endangered species breeding at the facility.

The following day we visit the pristine indigenous Knysna forest, complete with birds, and a monkey reserve. We then continue to Storms River Mouth, the adrenalin capital of South Africa, where you can choose from abseiling, blackwater tubing, mountain biking or even the world’s highest bungee jump! We finish up with three days on safari, with four game drives seeking the Big Five animals: Lion, Elephant, Rhino, Buffalo and Leopard.

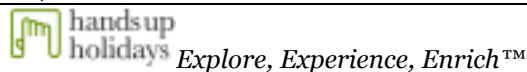

Your adventure ends in Port Elizabeth or George (depending on availability of game reserve), although flights can be arranged on your behalf to Cape Town, Durban or Johannesburg.
