Trip Description:

Combining history, culture, safari and stunning scenery, this luxury trip takes in two of the jewels of Southern Africa’s crown: the surreal Okavango Delta in Botswana with the largest concentration of birdlife anywhere in the world, and the majestic Victoria Falls in Zambia – “the smoke that thunders.”

We fly deep into the Okavango Delta, our luxury tents are set amongst grass covered islands, evoking safari expeditions of yesteryear, but with private en suite bathrooms and hot water! We explore the wonders of the Delta on foot, by mokoro (dug out canoe), and by vehicle, including night drives to observe some of Africa’s nocturnal inhabitants.

Your adventure ends in Victoria Falls, Zambia, but flights can be arranged to Johannesburg or Cape Town.
