Trip Description:

We fly to Durban, on South Africa's East Coast, and tour this heavily Indian influenced city and its surrounds. An early start on the second day takes us to the spectacular, World Heritage listed Drakensberg Mountains, where we pop into Lesotho, the "roof of Africa" for lunch in the highest pub in South Africa, and we visit a Basotho village.

The following day we marvel at ancient bushman cave paintings, and take a hike into the mountains. We then make our way back to Durban via the Valley of a Thousand Hills where we learn about Zulu culture, and then make our way up to another World Heritage site: the St Lucia Wetland Reserve, where we have the opportunity to view local fauna on a relaxing boat trip up the St Lucia estuary. The following day we hit the beach, where options of swimming or snorkeling are available. This evening, experience a night drive spotting nocturnal animals such as porcupine, bush babies, chameleons, the African wildcat, and even the elusive leopard.

We then continue further up the scenic coast of Zululand and on to our luxury 'Big 5' game reserve where we spend two nights, and four game drives in search of Lion, Leopard, Buffalo, Elephant, Rhino, and Cheetah.

Our adventure ends back in Durban, where your flight back to Johannesburg or Cape Town awaits.
